

## STAY SOCIALLY ENGAGED WHILE SUPPORTING PHYSICAL DISTANCING

### ALWAYS AND EASILY STAY CONNECTED WITH YOUR LOVED ONES

Connection with family and friends is the best way to alleviate feelings of loneliness and isolation. While being with those you love in person isn't always possible, **Independa™** makes it easy to stay connected right through your TV and experience the feeling of being together, even when you're apart.

With no new technology to learn, you can easily switch between watching your favorite TV shows to engaging with loved ones anytime. Family members and friends of residents connect through a simple and secure app on their phone to our residents' TV.

- Video Chat, share photos and personal messages with friends and family
- Receive alerts when something isn't quite right
- Capture wisdom, jokes and memorable moments in life using Life Stories™
